

Change that makes sense.

Turn your coins into **CASH** with our new coin counting machine located at our **557 Washington Street branch!**

Our coin counting service is **FREE** for Bank of Canton customers. Non-customers are subject to a 6% fee of all coins counted.

But, wait a minute!

**For the month of January,
Bank of Canton will donate
100% of that fee to the
Canton Food Pantry.**

Bank of Canton will select local causes periodically to benefit from this program - That way, you can be confident your coins are making **real change** in our community.

U.S. Currency Only

BANK OF CANTON

We're like family.
